

Family  
Wellness  
**Termalija**

Where  
family  
comes first.

## Enter into the new dimensions of family wellness.

It is the best host you can possibly imagine. It is like a family where everything begins and ends, from fun to complete peace and relaxation. Where each family member can find their own corner.

Family holidays in Termalija become real holidays.

The ultimate world  
of water experiences  
and fun.

Interesting adventures for children of all  
ages and relaxing activities for parents. A  
place where holidays are as they should  
be. Relaxing and entertaining for the  
whole family.

The first contact with water  
is the most valuable one.

---

A world of diverse saunas with unique meditation sauna, a wide range of sauna programmes, air whirling. A world that will not leave you indifferent, on the contrary, it will fill you in a natural way.

 *Spa & Beauty*

Give in to indulgence.

Through various massages, aroma therapies and treatments, we will bring you into a state of perfect peace and harmony. Your body will relax, and your thoughts will get balanced.

## Architectural perfection

Architectural connection with nature by conscious reduction of its presence in the surrounding. A dispersed roof that will take your breath away is a strategic specialty for it follows the criterion of the rural landscape.

Attentive architecture, intertwined with nature.

---

Intimate terrace for carefree,  
complete relaxation.
